

NJ NATP Winter Newsletter Correction

Our Winter edition of NJ Taxing Times has an incorrect rate listed on the bottom of Page 2. The NJ Labor and Workforce Development Rates for 2011 listed the Worker FLI rate changes for the 1st and 2nd quarters of 2011 as .12% of the first \$29,600 in wages for 2011. The correct rate is .06% of wages for the 1st and 2nd quarters of 2011 on the first \$29,600 in wages. I apologize and hope the error has not caused anyone unnecessary work! Here is a link to the website for the rates: <http://lwd.dol.state.nj.us/labor/employer/ea/rates/ea2011.html>
